'SPIRIT' TO BE SERMON ON SUNDAY
 "Spirit" is the subject of the Sunday Lesson-Sermon in all Churches of Christ. Scientist. Paul affirms in the Golden Text from 1st Corinthians (2:12). "Now we have received, not the spirit of the world, but the spirit which is of God."
 How Jesus' healing the fear of disease proved its nothingness is related in a Bible passage from Luke's Gospel (5:12, 13). "A man full of leprosy: who seeing Jesus fell on his face, and besought him, saying, Lord, if thou wilt, thou canst make me clean. And he put forth his hand, and touched him, saying, I will: be thou clean. And immediately the leprosy departed from him."
 Mary Baker Eddy explains in "Science and Health with Key to the Scriptures," "If the body is diseased, this is but one of the beliefs of mortal mind. Mortal man will be less mortal, when he learns that matter never sustained existence and can never destroy God, who is man's Life. . . . Consciousness constructs a better body when faith in matter has been conquered."
